AAUW Santa Cruz County Annual Membership Luncheon

Featuring Guest Speaker: Karina Cervantez Alejo

Karina was elected to the Watsonville City Council on November 6, 2012. She is only the second Latina in the city's history to have had the opportunity to serve in this capacity. Her colleagues unanimously supported her to serve as the city's mayor in 2014.

Karina Cervantez Alejo previously worked with the Community Action Board's Youth Community Restoration Project (YCORP), where she worked directly with youth transitioning from juvenile hall back into the community. She helped to develop youth leadership and mentorship programs, including Girlzpace, an afterschool program working with young women.

Cervantez Alejo is a graduate of Porterville High School and is the daughter of farmworkers who continue to work in the agricultural fields of the Central Valley. She received her Bachelor of Arts (B.A.) degree and her Master of Science (M.S.) degree in psychology from UC Santa Cruz. She is currently completing her doctoral (PhD) degree in psychology also from UC Santa Cruz. Currently, Cervantez Alejo works with students and families preparing for success in colleges and universities.

Board News

President's Message:

I was going to begin on an up note. However, it seems only right to acknowledge the tragedy that has beset our community. We lost two children to horrific violence this week. Remember to hold the children in your lives close. Love them and teach them well.

It has been another busy summer for your Board of Directors. Most of us participated in a training session in July that was very productive. The members of this Board are already functioning as a team to strengthen the work of our branch. The lines of communication are open and flowing. Planning is ongoing. It looks to be an excellent year.

That said, we can always use more volunteers. Our new Program VP has felt the need to step down, leaving us with a vacancy. This has placed a damper on some of the possibilities for this year. Please give consideration to filling this much-needed position.

Our Board members are also working on building their teams for the coming year. Please look down the list and contact someone to let them know you wish to be part of their team.

I am excited in looking forward to a year of progress for our branch.

Judy Cavin Brown
 President,
 AAUW Santa Cruz County Branch

Gala Accounting

Income from our Gala held in April 2015 was \$3507.00, and expenditures were \$4005.60. The net loss of \$498.60 was offset by net income from other meetings held during the year.

Ice Cream Social—Many thanks to Ted and Ginny Miller-Loehr for graciously hosting, again, our pre-camp annual ice cream social in June. Girls and parents from Santa Cruz County, Salinas, and Monterey branches attended, as well as AAUW members. Past camper Barbara Sanford joined the group also, and brought her scrap book to share. Thank you to Jeanne J. for organizing this great afternoon.

2015 Campers—Five lucky girls attended the Math/Science camp at Stanford from July 8th - 12th. They had a fabulous time. They are invited to share their experiences at our Sept. Luncheon. Jeanne and I are so grateful to our members for supporting the Tech Trek program. Hope you are able to come and enjoy meeting 'our' girls on Sept. 12th.

Thank you all,
Jane Amaral

To support next year's girls, send checks made out to AAUW-CA-SPF to Jane Amaral, 409 Larkin Valley Rd., Watsonville, 95076.

Looking for enthusiastic people who want a rewarding job in AAUW...

Jane is seeking two members to coordinate the Tech Trek program for our branch. The program is set up to take over with ease. Contacts are set with schools, and a state timeline and procedure ensures that the program is accessible and easy to follow. We will work with you and guide you through the selection process.

We hope a few members will consider teaming up to coordinate the program for 2016.

Thank you for your wonderful monetary support again this year. We are able to send five fortunate girls to the Math/Science camp at Stanford in July!

Sincerely,
Jane

Legal Advocacy Fund News

AAUW's Legal Advocacy Fund (LAF) works to challenge sex discrimination in higher education and the workplace, in ways ranging from community outreach programs to backing of major cases. Sex discrimination today takes a variety of forms—unfair pay, pregnancy discrimination, sexual harassment, sexual assault, and violations of Title IX of the Education Amendments of 1972—and can affect both women and men. LAF addresses these barriers by informing people of their rights and using the legal system to seek justice and change.

Legal Case Support. LAF provides financial and organizational support for a select number of cases in the workplace and in academia that have the potential to provide significant protection for all women. Women workers denied promotions at Walmart, military veteran survivors of sexual assault, and college/university staff members who are experiencing unfair pay are some of the plaintiffs AAUW assists through its case support program.

Case In Point - Burhans v. Yale: A New Wave in Title IX Cases

This case was filed in federal court in Connecticut. AAUW's Legal Advocacy Fund began supporting the case in 2015. Susan Burhans was hired by Yale University in 1999 as a communications specialist and served the university as a security education coordinator. In 2012, Burhans filed suit against Yale, alleging sex discrimination and unlawful retaliation under Title IX of the Education Amendments of 1972 and other laws. Burhans claims she was discriminated against and eventually terminated after more than ten years of attempting to help survivors of sexual assault on campus and alerting Yale to potential Title IX violations. Rather than address her concerns, Burhans claims that the administration ignored her warnings and severely retaliated against her, narrowing her authority, humiliating her, and eventually terminating her position.

Why *Burhans* Matters. In order to keep students safe and fulfill Title IX's promise of equity in education, educators and administrators must step forward when they observe problems. The fact that Title IX helps protect students from campus sexual assault means little if administrators face retaliation for trying to enforce that protection. Employees like Burhans who speak out must be supported and empowered to make change on their campuses.

If you would like to support AAUW's efforts to back cases like these, consider making a donation to our branch LAF Fund. Make checks payable to: AAUW FUNDS. Mail to: Lorraine Margon, 329 Canon del Sol, La Selva Beach, CA 95076.

AAUW Funds News

AAUW Funds (formerly known as the Educational Foundation) is the name used to identify the aggregated **unrestricted** funds that supply full or partial funding for every AAUW program -except for our Fellowships and Grants. By contrast, Fellowships and Grants are supported entirely by **interest** from the AAUW Endowment, which consists of **restricted** funds. There is a common misunderstanding that AAUW's Endowments support almost all AAUW programs. In fact, only our fellowships and grants are fully funded by the endowment earnings -that is, by the **interest on our restricted funds**. The monies in endowments can't go to work until the endowment is completed.

Every other program receives full or partial funding from the AAUW Fund - which must be replenished each year by donations in order to continue program implementation.

Members' contributions to the AAUW Fund support programs that:

- above all, advance equity for women and girls
- strengthen AAUW's role in the global community
- respond to and eradicate the persistent challenges facing women and girls
- leverage new opportunities and attract new audiences to our mission:

Advancing equity for women and girls through advocacy education, philanthropy and research.

The following codes placed on your donation check ensures that your gift will go to the particular

fund you choose:

#9110 AAUW Funds - unrestricted funds that support the programs with the greatest needs.

#4337 Public policy fund - advocates for public policies and laws that are fair to women

#4339 Leadership Programs Fund - Develops women's potential to lead in their schools, communities, and:

Start Smart on 225 campuses (salary negotiation)

National Conference for College Women Student Leaders: annual 3-day conference)

#9170 Eleanor Roosevelt Fund -

Groundbreaking research on issues related to gender equity in education and the workplace -

#4336 Educational Opportunities Fund - Supports educational and lifelong learning

In 2012-13, \$4.3 million was awarded to 278 women (37 recipients in California)

In 2013-14, \$3.7 million was awarded in fellowships and grants to support 245 women

(average award \$15,100)

- through American and International Fellowships, Career Development Grants,

Community Action Grants, and Selected Professions Fellowships

The first fellowship was created in 1888. Over the 125 year period, \$100 million has been given

to 12,000 recipients from over 130 countries.

the workplace - with

18 community outreach programs, numerous legal referrals, and backing of major cases:

Senate Blocks Bill to Defund Planned Parenthood

On Monday the Senate [defeated a bill](#) (S. 1881) to defund Planned Parenthood. In response to deceptively edited videos that mislead the public about Planned Parenthood's policies and practices, Sen. Fortunately, the bill failed to garner the 60 votes needed to proceed in the Senate, blocking it from consideration. Meanwhile, both [Alabama](#) and [New Hampshire](#) took steps this week to withdraw state funds that flow to Planned Parenthood. In addition, the Florida Agency for Health Care Administration concluded an investigation that found [no indication](#) that the organization conducted any improper sale of fetal tissue or organs.

Steps Taken to Curtail the Gender Wage Gap in Federal Employment

The acting director of the Office of Personnel Management (OPM), Beth Cobert, is taking steps to eliminate the wage gap in the federal government. In 2012, OPM found that women in government still made 12.7 percent less than men, overall. To help close that gap, Cobert informed senior government leaders that a common metric for setting wage rates of new employees — prior salary history — can no longer be the basis for establishing salaries. This move could help women who have been out of the workforce for a period of time or who have been paid unequally in the past. It will also focus hiring decisions on each candidate's qualifications and ability to meet an agency's particular needs. Additionally, Cobert urged government agencies to collect wage data separated by gender, review how jobs are classified for pay-setting, and publicly post salary rates.

The First Republican Debate for the Presidential Nomination

Last night marked the first debate night for the seventeen Republican candidates in the crowded primary field. Access to reproductive health care, abortion and defunding Planned Parenthood were all covered. The lowlights of the debate were also a candidates who defended misogyny, one who dismissed #blacklivesmatter, and another who called transgender rights an unworthy social experiment. Megyn Kelly, Fox News host and debate moderator, [questioned](#) Donald Trump on degrading remarks he has made toward women, saying, "You've called women you don't like 'fat pigs, dogs, slobs, and disgusting animals.'" Trump defended his sexist commentary, claiming that he does not have time to be politically correct and later saying that Kelly "behaved very badly." AAUW Santa Cruz County Branch Interest Groups

All work and no play will make you dull--and to counteract that we have a variety of interest groups enjoyed by many of our members. Some have gone on for years!

Some of these groups are close to capacity (limited by how much room people have in their homes) but it's always possible to start a new section. If you're interested in starting a new group, check with Rosemary Anderson, she will be able to give

you some pointers.

Membership in these interest groups is a privilege of AAUW membership; you may bring a non-member guest three times but then we ask that they join AAUW if they wish to continue to attend. In order to attract new members and make AAUW's aims and goals more visible to the public, our luncheons/meetings are open to the public. Spouses, partners and guests are welcome to attend the Dining Out and Evening Gourmet groups.

Book Groups

Our book groups have become extremely popular. Numbers in the groups fluctuate, and if you're interested contact the leaders to see if there's an opening at your preferred time. A new group is not difficult to establish, that's how we ended up with three!

Reader's Theater

The Readers Theater group will recommence October 19, which is the third Monday of the month and meeting on the third Monday for the months that follow. For further information contact Barbara Lewis, 335-7816.

Lunch Bunch

The Lunch Bunch meets on the first Thursday of the month. All AAUW members are welcome to join us. Join us for lunch at the Crepe Place on September 3rd. Contact Kathy Oing irishpml@yahoo.com for more information.

Dining Out—Seeking a new leader This is a lot like Lunch Bunch except it's in the evening and spouses/partners are included. If you are interested in leading the group in trying different restaurants around town, contact former leader Linda Owens, 408-204-0408, jowens7069@aol.com.

Walking Group

Our walks are about 60 to 90 minutes on easy to moderate trails, beginning at 9:30am. For more information, contact Andrea Losee alosee@cruzio.com.

Morning Great Decisions

The Great Decisions booklet provides background information for our lively discussions. We're a friendly, diverse group. Visitors and new members are welcome.

Morning Great Decisions will recommence this fall. For questions in the meantime, please contact Contact Vickie Birdsall vickiebirdsall@yahoo.com or Grace Gerbrandt graceger@sbcglobal.net.
